## WELCOME to Your Annual Asheville “A-1” Autumn Leaves Scrabble® Tournament

Minimum announcements during the tournament so consider printing this or looking it over carefully. Confirmation of registrants is Sat. morning 8:45 AM at the Stephens-Lee Rec Center near downtown Asheville, at 30 George Washington Carver Avenue. GPS and MapQuest work! South Charlotte St, then Max St., then Carver! A-1 signage. Write your **player number** on your **scorecard** and on your **nametag**!

▶ There will be a total of 8 games played on **Saturday**. 4 games will be played starting at **9 AM**. There will be a lunch break and the last 4 games will be played **starting at 2:00 PM**. Most of you will have at least 1 hour for lunch. Food truck starting at 12:15 PM Saturday! Plus, 10% discount (alcohol excluded) at nearby White Labs Restaurant (show nametag.) After your last game late Saturday afternoon, reconcile your scorecard with the posted results at least through the 1st seven games, if not all eight. Keep the scorecard, but do report discrepancies to the data manager.

▶ There will be a total of 6 games played on **Sunday**. Wear that nametag again! We will not have assigned tables and your opponent will be looking for you, and might need to see your nametag. 4 games starting at 9 AM, then a shorter lunch break. Another great food truck at lunch! Still a 10% discount at nearby White Labs Restaurant (show nametag.) The last two games **start at 1:45 PM**. Before the very last game (around 3 PM) take a very short break while we determine the King of the Hill pairings for some divisions. Gibson rule applies.

▶ Winners turn in your tally slips after each game with a “victory walk” to the data management area. **Be sure to 1) record the ROUND NUMBER on the tally slip and 2) double check the spread**, vital information to the data manager. Please keep your own contestant scorecards up-to-date with legible and accurate data. Opponents’ signatures not required on contestant scorecards. You will ultimately keep your scorecards, but you will need to reconcile them periodically with the posted results. If there are big computer problems (yikes!) we would rely on the scorecards! You may want to write in your opponents only for a half-day session at a time, just in case there are dropouts or revisions in pairings as we go along.

▶ Please try to *keep the noise level down* and we’ll try to keep “shushing” (good word!) to a minimum. Make sure your name is somewhere on your clock, board, and racks that you kindly brought to the tourney as requested. We will not assign table locations for each game, so you and your next opponent can simply find an available spot within your division area to play. We will have an extra set-up or two for each division, so there should be minimal waiting once you find your next opponent. *Do not move any gear once it has been set up for that day*. If you have a favorite rack that you prefer to keep with you, please do leave a pair of racks with your gear that you have set up. We are assigning which player goes first by computer, possibly drawing for first in some situations in the last game or two.

▶ Cash prizes for high turn (high word), high game, high loss and best performance improvement in each division! Ties for best performance will go to the lower seeded player. One \$50 prize for highest scoring play using all four letters L-I-V-E (contained in AshEVILle.) *You must be present to win* the door prize at the end of the awards ceremony, so stick around and we will try to make it fun!

▶ Your first tournament ever? Please request an additional information sheet to be emailed in advance.
