A Zoophyte

Maundy waes a holyday, so Elain and Wally Chandler weir takin the krewe oud to batfish at the Waffie Hows, and the zoolater. Twinset Norland and Normande argufied oba who ghat to wried shotgun, and teeners Witney and Phelonia were degusted biome. Then Nana was coled, but Papaw sayed the carr felled lakh a sweatbox. Waly foregut his wallop, and Elain yeld and cauld em a nidget.

At the Waffly Howes, Gramps wonted a Budlike, and Grama glaive em a painch and threatened to helve him sente to a halm. Norland spilt tis milch wyn Normande holard, "Heigh, your shoos untidied! Sike!" and Witney kecked Normande. Phelonia roweled her eyas and toled em thewier all imbecilic.

Tho nada zoophile, Wallie ruched em outby premising ossicles lader, and Elain remanded him he dint haaf any mony. Gamps padi waitron, and thiol palled into the Chevy.

Oncet thir, Gramma complines that it schmelze "zooley." The guls wanted togue go sei the zebrass, and the buoys holloaed to see the zorilla firths. Grampa demandant a loo, and dafter alevin hisself, said, "Dammit! Ohm guan to seton this benching jus wrest wyle yawl lallygag arene."

Witney lekked the elaphine, but the boyos haded it. They sayid the ocelots were the coolest, and the weasels were aweless. Phelonia orpines that the pandy is cutes sensei leks likings wirra na suit. Elain kep refuging to leu kat the snakepit, and Wally mayed funner her and caldera zoophobe. Norland axed the zookeeper whirr the xebec whiz, and the guyed dint knawe. Then the paroquet whiffled at Grandam and it skirred er, so they hadal lieve.

Awl enol, despites so minny zoophytes, nona the Chandlers were sori they wynd.

Campong withe Famuli

It astilbe nowt tew laith to planar summerly campong trip withe famuli. The fallowing tips weel holp en sieur the moste funnest thyme posable on yore kampong journo.

Mayhap alls jeux awn is a minicar. Ringent a minivan will alow you to kart mair peepul--especial ef som mimbars of your famuli are "muhly gorditas." Whidah bout the dawk? A Semple Dejeuner

My fremd Laura is kine of a jockette, beta riel diester in the kuchen. She canna cook whort benes. Mos nites she ordures takeout, or huzza bulla ceorl. So I inviter overween ohm in "la kachina" to shewer howf fungic can be ta affix euro mealie.

I deicide instarred with a semple dejeuner of psammon, les haricots verts, pommee frites, and squoush souffle--merengues, pechan sandhis, and fraise sorbent for dissert.

We situp a potline to boilloff all the tocsins. Eyelet Laurae wack the squoosh into pintsize morceaux, anent we panfry it, and garboil the saimin for dos or tres menudos. We prebake a picrate of merengues and feaze the sorbet. The pomfrets gowan a friar, and we sautoir the legumin a skittle with four ronions ana biffin. We cruck the aggies for the sufflate, immix the skosh with snedded chis anna soupcon of basilisk. This we poutine a bacchant dish, and bankit tillites crispen fermi.

Wale, mayvin that is nit exacta a blowby blowy comte of the ex sferics, but yawl ged diabasic idyll.

And Laura? She hovered et al downlike a hogg, and sithens shebeen cooky like a prau
